Dear Mr. Speed:

Please consider this letter to be my official request for a thirty (30) day extension to complete this year's assessment roll. As you are aware, almost any county could close the assessment roll timely if they did not "count the cost". We feel the prudent thing to do is to ask for this extension for the following reasons:

- ◆ Avoid costly roll correction process
- ◆ Avoid more confusion to tax paying public by having to explain roll corrections
- ◆ Agricultural statements often come in late (through June 15th) allowing little time for proper response coupled with field inspection for verification
 - a) Orchard tree removal
 - b) Improvements (Solid set irrigation system, pumps, wells, agricultural buildings, etc.)
- ◆ Volume of sales and new construction (Both the Chico & Oroville area unfinished work left to complete is approximately 50% higher this year than at the same time last year)
- ◆ Clerical staff needs a few days to key all the values once the appraisal work is completed and submitted for processing.

Thank you for your consideration.

Sincerely,

Kenneth O. Reimers
Assessor of Butte County

Re: Section 155, Revenue and Taxation Code

Dear Mr. Speed:

This office is requesting an extension of time to July 30, 2004, for completion of the Colusa County Secured and Unsecured Tax Rolls.

We find this request necessary due to 25% appraiser reduction, retirement of key personnel with new hires and software problems due to upgrades to the Megabyte Property Tax System.

We are making every effort to complete the rolls timely and will use the extension only if it is absolutely necessary.

Dear Mr. Boyer:

Pursuant to Section 155 of the Revenue and Taxation Code, we are hereby requesting a 30-day extension of time for delivery of the 2004 roll.

We lost one employee to retirement and have been unable to hire a replacement because of a hiring freeze. This vacancy represents a 10% loss of staff.

This is the first year using our new system. We have had technical problems with the software itself. The "seamless" transfer of Supplemental Assessments to the Auditor's office was so confusing that the Auditor's didn't process the supplemental assessments for one year. The Assistant Auditor spends hours in our office trying to understand the process. Solutions to problems can take weeks to complete.

Taking together with personnel issues we will need the extension.

Sincerely,

Thomas W. Lanshaw

Dear Mr. Hirsig,

Please consider this letter as my official request for an extension of the deadline for filing the 2004-05 assessment rolls. This request is being made in accordance with Revenue and Taxation Code Section 155.

Workload increases and staffing problems have caused me to request this extension. Our total office staffing is only eighty-four percent of our 1988 staffing level. Legislative changes related to the administration of the Williamson Act subvention payment program also negatively impacted my workload.

Dear Mr. Hirsig:

Pursuant to the above referenced Section and the following factors, I am hereby requesting a 30-day extension of time within which to complete the 2004-2005 Assessment Rolls:

- 1) We have experienced an increased workload in the recent years without authorization to increase staff;
- 2) There are eight positions in this office, including the Assessor. Due to budget constraints both in this fiscal year and last, from November 21, 2002 to October 15, 2003, one of our real property appraisal positions was vacant without authorization to fill;
- 3) In April, our Senior Appraiser tendered his retirement letter, leaving us again with one real property appraiser.

RE: Request for extension of time to complete the Local Assessment Roll

Dear Mr. Speed,

It is with regret that I write to you and request an extension of time to complete the Local Assessment Roll.

The Mono County Assessor's Office has been plagued with vacancies for several years. As a result of a workload that has consistently and more rapidly grown in the last few years, combined with a shortage of appraisal staff due to causes outside of my control, it has become necessary to request an extension past the traditional delivery date.

We have identified the need for six appraisal positions as a result of the workload. I have previously had five appraiser positions, but now have only three of them filled. In essence I have half of the field staff needed at this time.

I respectfully request a thirty (30) day extension in the delivery of this year's annual roll.

Respectfully requested,

R. Glenn Barnes

Dear Mr. Speed:

Per Section 155 of the Revenue and Taxation Code, I hereby request a thirty (30) day extension of time to complete the local assessment roll for Monterey County.

Due to the implementation of a new computer application in our Property Tax Management System, a small possibility exists that Monterey County may not be able to complete our local assessment roll by July 1, 2004.

Yours very truly,

Stephen L. Vagnini

Dear Mr. Speed:

Pursuant to Section 155 of the California Revenue and Taxation Code, a request hereby is made for a 30-day extension of time for delivery of the Orange County Assessment Roll to the County Auditor-Controller. We are requesting an extension from July 1, 2004, to July 31, 2004.

This extension of time is necessary due to a combination of (1) the adverse impact on our schedule and resources as a result of dynamic market activities, which continue to significantly drive up our workloads, and (2) limitation of available resources to address the increased workload. The extension will allow us to prepare an assessment roll in accordance with current property tax laws.

Sincerely,

Webster J. Guillory

Dear Mr. Boyer,

Pursuant to Section 155 of the Revenue & Taxation Code, this office requests a 30 day extension of time to deliver the 2004-2005 Plumas County Assessment Roll.

A series of medical leaves and changes in personnel have placed us behind in processing necessary valuation changes.

RE: Request for 30-Day Extension of Time to
Deliver the Yuba County Assessment Roll

Dear Mr. Hirsig:

PROPERTY TAXES

Pursuant to Section 155 of the Revenue and Taxation Code, this office requests a 30 Day Extension of Time to deliver the 2004/2005 Yuba County Assessment Roll.

Yuba County is currently experiencing rapid growth. As an example, over the past twenty years the Assessor has added between 200-300 new parcels per year and roll growth has averaged \$80 million per year. This year the Assessor will add over 1,500 new parcels to the assessment roll and the estimated 2004/2005 roll growth is \$300 million.

Currently, we are behind in all areas of producing the roll including: working splits, new maps, parcel number creation, processing recorded documents, supplemental roll production, property characteristics, building permits and exemption processing.

This office is currently working with less staff then what was employed by the department in 1980. Due primarily to the Governor's new/additional "ERAF" shift which will reduce the County's general fund approximately \$1.5 million, this office has been asked to reduce our 2004/2005 budget by 10%. This will result in the loss of 28% of our Board Certified Appraisal Staff. This year's roll production has been extremely challenging, but the quality and completeness of next year's roll is of grave concern.

Thank you for your consideration of this matter.

Sincerely,

David A. Brown
Yuba County Assessor
